Association for
Emergency
Psychiatry**

PRESS RELEASE

Release Date: June 3, 2021

PRESS RELEASE: Free CME Mental Health Webinars Featuring AAEP Past-Presidents and AAEP's Partner Coalition on Psychiatric Emergencies (CPE)

AAEP Membership:

Sharing the two free CME webinars below as part of a Mental Health Webinar series. Featured below are sessions by AAEP past-presidents Dr. Jack Rozel and Dr. Tony Ng, as well as AAEP's partner coalition, the Coalition on Psychiatric Emergencies (CPE). View the sessions below and register!

988 – The Future of Suicide Prevention and Crisis Care | June 8, 2021 @ 3:00PM CST

988 will be the new direct, three-digit line to trained National Suicide Prevention Lifeline counselors, opening the door for millions of Americans to seek the help they need. Join Emmy Betz, MD, MPH, a leading suicide prevention researcher, John Draper, PhD, Executive Director of the National Suicide Prevention Lifeline and Tony Ng, MD, chair of the Coalition on Psychiatric Emergencies for a discussion about the change and what this means for emergency medicine. When "Fine" Is Not Fine - Building a Physician Peer Support Program | June 24, 2021 @ 1:00PM CST

Peer support services are increasingly becoming an important part of the healthcare workforce as professionals continue to undergo prolonged stress due to the pandemic. An important component to implementing an effective peer support program often requires understanding various models as well as the advantages and disadvantages of different interventions. Join Dr. Charissa Pacella, Co-leader of Physicians for Physicians Peer Support Program, and Dr. Jack Rozel, Medical Director at resolve Crisis Services for a discussion on peer support programs.
